

14418 JERSEY DR, JERSEY VILLAGE, TX 77040, USA

<https://flhomesproperties.com>

Experience an exceptional luxury new build in the heart of Jersey Village, available for immediate move-in. This modern farmhouse with Craftsman-inspired details seamlessly combines contemporary finishes with timeless design, offering a refined presence in an established neighborhood where new construction is rarely available. Inside, soaring 10-foot ceilings and an open-concept floor plan create a seamless transition between the living and dining spaces and a spacious kitchen centered around a statement island and soft-close cabinetry. The primary suite showcases a spa-inspired bath designed for relaxation, while two versatile flex rooms offer endless possibilities for a home office, media room, fitness space, or playroom. An oversized utility room provides added functionality, and the expansive back patio is ideal for effortless indoor-outdoor living throughout the year. Two mature oak trees frame the front yard, adding character and natural beauty. Situated within the incorporated city of Jersey Village — complete with its own police and fire departments — and offering convenient access to Beltway 8, US-290, and I-10. No HOA. No MUD. Enjoy small-town appeal with big-city convenience.
